**FLUSHY** strong Toilet Cleaner and stain remover.

#### FLUSHY – TOILET CLEANER FEATURES

FLUSHY TOILET BOWL CLEANER is a powerful acid-based stain remover that is capable of removing dirt, rust, and slime from tiles, urinals, grouts, and toilet bowls. This cleaner is capable of killing bacteria while leaving behind a fresh and clean odor after every application.

What are benefits of FLUSHY?

FLUSHY toilet cleaner is many times better than the ordinary bleach, acid and phenyl, when it comes to cleaning, fragrance as well as germ kill. Regular use of FLUSHY toilet cleaner prevents the build-up of stains in the toilet bowl and keeps it visibly clean with effective removal of germs in the toilet. FLUSHY TOILET cleaner can also be used to disinfect your bathroom floor, tiles and sink area.

Safe on skin  
Anti- bacterial

10 times more yellowish stain removal  
Kills 99.9% of germs  
Helps fight odour and any unpleasant smell  
Better than the ordinary bleach, acid and phenyl
